

Memorandum of Understanding (MoU)

Between

BharatCares

by SMEC Trust (CSRBOX Foundation)

(Implementing Partner for Future Skills Programs in India)

And

Government College Chhachhrauli

District Yamunanagar – 135103 (Haryana)

Preamble

This Memorandum of Understanding ("MoU") is entered into on **24-04-2026**, between **BharatCares** by SMEC Trust (CSRBOX Foundation), the implementing partner for Future Skills programs in India, having its corporate office at Swati Trinity, Applewood Township, A-404, Shela, Sarkhej-Okaf, Gujarat, 380058 and the **Government College Chhachhrauli**, District Yamunanagar -135103 (Haryana).

The parties agree to collaborate on training students with Future-Ready Skills such as Artificial Intelligence (AI), Cybersecurity, Data Analytics, and other emerging domains, through a structured digital and experiential learning ecosystem, thereby advancing the institution's mission of preparing students for the future of work.

Recitals

1. **BharatCares** by SMEC Trust is a social impact organization committed to bridging the gap between education and employability by designing and implementing innovative programs that equip youth with industry-relevant and future ready skills essential for the evolving digital economy.
2. The Institution aims to empower students with opportunities for practical learning, exposure to emerging technologies, and employability enhancement, aligning with the objectives of the National Education Policy 2020 and national skilling frameworks.

Objectives

The objectives of this MoU are to:

- Implement Future ready skills programs to train and empower students in AI, Cybersecurity, and other emerging technologies.
- Provide access to certified online courses, mentorship sessions and industry led learning modules.
- Enable hands-on, project-based learning, innovation challenges, and hackathons to foster creativity and problem-solving skills.
- Align skilling outcomes with NEP 2020 and contribute to building a future-ready workforce.

Roles and Responsibilities

BharatCares by SMEC Trust will:

- Lead program implementation through **structured learning modules on AI, Cybersecurity and other Future-Ready Skills**.
- Conduct **on-campus and virtual sessions**, including workshops, hackathons, and innovation challenges.
- Provide **digital learning access, mentorship, and certified credentials** for learners.
- Share **impact reports and analytics** with the Institution for monitoring learner progress.
- Ensure **free access** to all learners and cover costs related to program facilitation and digital platform management.

Government College Chhachhrauli will:

- Facilitate **student mobilization, faculty engagement**, and provide institutional support.
- Appoint a **Single Point of Contact (SPOC)** to coordinate with BharatCares for smooth execution.
- Provide **infrastructure support** such as computer labs, internet connectivity, and classrooms for workshops.
- Encourage **active learner participation** and track engagement.

Duration

This MoU shall remain effective for **one year** from the date of signing **24-04-2026**, extendable by mutual consent.

Clauses and specifications

- **Integration of Skill Curriculum:** BharatCares, in collaboration with the Government College Chhachhrauli, will facilitate the integration of Future-Ready Skills modules within the academic or extracurricular framework of the institution.
- **Confidentiality:** Both parties agree that all learner-related data and program details shall be treated as confidential information and used only for program execution and reporting.
- **Data Privacy and Protection:** BharatCares shall ensure compliance with data protection norms and use student data only for onboarding, tracking, and impact assessment.
- **Consent:** The Government College Chhachhrauli consents to BharatCares capturing photographs, testimonials, and impact stories during workshops or sessions for social media and program reporting purposes, ensuring all usage is ethical and respectful.
- **Limitation of Liability:** The Government College Chhachhrauli will be responsible for mobilizing learners and supporting program delivery, while BharatCares shall manage all content and facilitation.
- **Financials:** This MoU is non-financial in nature, involving no monetary transaction between the parties. BharatCares will bear all costs related to facilitation, mentorship, and reporting.
- **Communication and Reporting:** BharatCares shall provide timely reports and updates to the Institution to monitor participation, learning outcomes, and impact metrics.
- **Legal Aspects:** This MoU represents a statement of intent and does not create any legally enforceable or financial obligations between the parties.
