Memo No: KW (1) 17/42-2022 Sch (2)

dated Panchkula, the 19th August 2026

Subject: - Process of Verification and Clearance of Pendency from AY 2022-23 to 2024-25 under the PMS Scheme for SC and OBC Students- Regd.
Verification of Aadhaar Seeding and Status of Bank Accounts of Beneficiaries Showing PFMS Failure for AY 2022-23 to 2024-25 — regarding wide publicity/awareness.

I have been directed to address you on the subject cited above regarding the "Last Chance" under the Post-Matric Scholarship (PMS) SC/BC Schemes.

In this regard, taking into consideration representations received from various quarters, the Department of Higher Education, Government of Haryana, has decided to provide a final opportunity to students of Colleges and Universities to resolve pending application cases under the Post-Matric Scholarship Scheme for Scheduled Castes (PMS-SC) and Other Backward Classes (PMS-OBC/BC) for the academic years 2022-23, 2023-24, and 2024-25, submitted through the Har-Chhatravrat Portal.

Therefore, all institutions are requested to verify pendency at their level and immediately approve or reject the pending applications as per eligibility rules. Institutions are also requested to ensure wide publicity to sensitize all pending students to get their Aadhaar seeded with their bank accounts immediately, if not done already.

Institutions are further advised to issue wide publicity through all available channels to resolve these pending cases. For any clarification, you may contact the department at 0172-2565530 or via email at higherscholarship201819@gmail.com.

As per technical feedback received from the PFMS disbursement team, the primary reasons for transaction failures among approved students are:

1. The beneficiary's bank account is not actively seeded with Aadhaar (NPCI mapped)
2. The registered bank account has become inactive, dormant, frozen, or blocked due to non-operation or missing KYC documentation.

To facilitate successful processing and timely disbursement of scholarship amounts directly through PFMS, you are requested to immediately take the following actions:

- **Ensure Aadhaar Seeding:** Direct affected students to immediately visit their respective bank branches, submit the Aadhaar Seeding Form, and ensure their bank account is linked on the NPCI mapper.
- **Activate Dormant Accounts:** Ensure that the bank accounts of these beneficiaries are fully active, operational, and free from any transaction limit restrictions.
- **Wide Publicity & Sensitization:** Arrange for prominent notice display on college notice boards, official WhatsApp groups, and student portals to sensitize beneficiaries without delay.

Treat this matter as MOST URGENT, as any delay in rectifying these deficiencies will result in permanent transaction failure, for which responsibility will lie with the institution/student concerned.

Kindly do approve/reject all pending applications for AY 2022-23 to 2024-25 before the closing date.

Please note that the portal/files for these years will be closed permanently after 21.08.2026 (1-1) and 23.08.2026 (1-2).
